Career Objective

As a recent graduate from the Full Stack Web Developer program at Robertson College I am looking for an entry level opportunity where I can use my current skillset to gain experience in the industry and become an asset to your team.

Work Experience

Graphic Designer/Web Developer

July 2003-Present

- Create designs, concepts, and sample layouts based on knowledge of layout principles and esthetic design concepts.
- Develop graphics and layouts for illustrations, company logos, and websites.
- Confer with clients to determine layout design.
- Design and development of basic web applications for advertising.
- Keeping good relationships with clients through open communication, and accountability.
- Adhering to deadlines.
- Working generally as a hobby, taking on projects by word of mouth on an occasional basis.
